

# DEKO FG

Fully Glazed Partition, Close to 99.9% Glass

- Individual modules
- Several module joint options
- Extensive range of doors in different heights
- Specially developed aluminium frame system for doors
- Various widths and types of glass available
- Film manifestations to any design available
- Ease of maintenance
- Sound tested
- Fire tested
- Demountable and reusable

DEKO fully glazed partitions are characterised by simplicity, ensuring maximum light and natural, open working environments.

DEKO FG is based on single glazed modules built from floor to ceiling with slim aluminium sections which compliment joints with other building components.
