

# DEKO Doors

A Unique and Extensive Range of Doors in Aluminium Frame

- Easy to incorporate with all types of partition
- High stability
- Strong surface
- Ease of maintenance
- Reusable
- Wide selection of colours
- Solid doors, glazed doors, or fully glazed doors
- Single or double leaf doors
- Standard sizes or fitted to individual requirements
- Sound proof doors
- Fire classified according to DS 1052.2
- Awarded the Danish Indoor Climate Label
- Variable frame widths from 92 to 230 mm

DEKO Doors with aluminium frames are made to fit our entire partitioning range.

DEKO Doors are based on a specially developed aluminium framework which can be incorporated into our own system partitions as well as conventional concrete walls, brick walls, and drywalls.

The framework is based on an aluminium frame profile, ensuring a stable and smooth finish without wrenches, knots, and cracks.
